### *Chairman's Desk*

Dear Students

It gives me a great pleasure to introduce

Javitri Institute of Medical Sciences (JIM) to you.

Our focus has been to get you the best facilities in terms of infrastructure, equipment and faculty so that you get the best of what is available today.

In today's scenario we tend to focus on the teaching and training considering the job perspectives in mind.

Fortunately we have an affiliation to a good hospital and two medical stores where you will have part of practical training through computer software so that once you pass out of the college and go for placement you get a good placement and you don't have any problems in working there.

I am pleased to note that the progress and direction that we are proceeding will establish this institute as one of the biggest hub of paramedical education one day.

*Dr. I. Tyagi*
